Slide Show Photo Release:

The swim team holds a banquet at the end of each season at which there is the traditional slide show of the season that includes the swimmers, parents, and Lakepark coaches. It is now possible to have the slide show as a "Power Point" presentation, which, in addition to the photographs taken during the summer, identifies the subjects of many of the photographs. Every effort is made to take respectable and appropriate photographs, and no photograph will be included in the slide show that is inappropriate for any age group. The Swim Team Committee, due to several requests from parents after last year's slide show, would like to sell copies of this slide show as a yearbook of the season to swim team members only. The yearbook would be on a CD and proceeds of the sale would be used solely for swim team expenses. By signing below, you are indicating that you do not object to having the image of you or your children in the slide show or the CD-yearbook, and you consent to the sale of such yearbook to other swim team members.
